Santa is coming to Kilham school

December 3rd is Santa Sunday!

There will be plenty of festive fun in the school hall from 1pm—4pm. There will be lots of stalls, full of lovely Christmas gifts as well as an amazing Santa's Grotto. Entry is £2 which includes a visit to Santa and a drink and mince pie for the adults. There will also be a fun run around the village with the start and finish at the school. More details inside this issue—

As usual we will be having a raffle—so please support us by buying as many tickets as you can—or by donating raffle gifts at the school office. All proceeds go towards school trips, and activities which will enhance our children's education. The raffle will be drawn at 4pm in the school hall before the Christmas tree lights are switched on by Father Christmas at 4.30pm when we will all join together for carols—with the amazing Rev Rays Choir leading the singing.

For more information about this event or if you would like to help on the day—please contact: Fiona on 420552

This year Kilham Primary School PTFA are again organising a Santa fun run around the village for all ages on Sunday 3rd December. There will be three routes as shown on the map and Santa will be leading the way on his sleigh, complete with festive music!

The running, in festive dress, will start at 2pm from the school and we expect fun runners to all be completed within an hour. We would be delighted if a) you would like to join in the fun run! (entries on the day £1) or b) support the runners. The map indicates where they will be running! In true Santa Sunday style there will be strategically placed buckets for any kind donations you would like to make to the school.

In addition to the fun run we are holding a Christmas fair at the school with mince pies, teas and coffees and mulled wine. Santa will be in attendance from 1pm. There will be the usual raffle with great prizes and we will all convene at the village Christmas tree at 4.30pm for the light switch on and carols accompanied by 'Ray's Voices' the village choir. We look forward to seeing you all on December 3rd with your trainers on and in good voice!

Thank you for your support

Metal Detecting Incidents

A person who goes onto someone's land without permission and takes something is STEALING. There have been a number of these people caught very late at night doing just this. Fortunately, two of our local PCSOs and the farm watch chairman were available to escort them off the fields. There are a lot of people poaching, taking game off fields without permission and causing untold damage to drilled crops for next year. Please be observant and ring the police if you see anything suspicious.

Lastly, there are some dog walkers living in Kilham with some rather dangerous dogs. Two people walking along on two separate occasions saw two dogs of large proportions not controlled properly on their leads, set about a lady's little dog and knocking the lady to the ground who then ended up in casualty.

The other instance, a gentleman walking his dog near to where these dogs live, the large dogs came bounding out of control led by their owner who had the dogs on leads, bit the whippet and frightened the dog and owner. The whippet had to be taken to a vet for treatment. Please be a responsible dog owner for everyone's safety.

If I can be of any help to anyone, please ring me.

Kilham Parish Council News

The councillors are very aware of the relentless reports and comments about the excessive speed and inappropriate driving of certain vehicles passing through the village. It is not just a Kilham problem, but seems to be a county wide problem and we are committed to working with our neighbouring parish councils to trial measures designed to discourage recklessness and at the same time encourage responsible behaviour.

Over the past couple of months, the parish council has responded to a number of controversial planning application, we were pleased to engage with the residents who attended our meetings expressing their concerns and worries. A recent amended planning application for Land North of White Hall Close saw a number of residents at our November meeting and below is a section of our response forwarded to ERYC planning department: -

'A large number of residents attended the November's Parish Council meeting to express their concerns about this proposed development. They are furious that their private road should be assumed to be a public right of way which it is clearly not. Kilham Parish Council unequivocally support residents in their opposition to this amended application.'

As you will have noticed once again we have a stunning Christmas tree located in Memorial Gardens, we wish to thank Jeff and Megan Price from Classic Interiors who have sponsored this year's tree. Thank you must also go to the team of volunteers who give their time to erect and decorate the tree.

Finally, we would like to wish the residents of Kilham a Merry Christmas and a Prosperous New year.

INSPIRING WOMEN

At the October meeting we designed and made Fairy Jars under the expert tuition of Julie Craggs. For the social outing 21 of us went to Eastfield Garden Centre for afternoon tea.

In November Gerald and Denise Massey told us about their fascinating trip to the Galapagos Islands. The social outing was a trip to the

Spa at Bridlington where we watched two films and had lunch.

The Computer Club is going well - Ebay, Skype and Family History Research to name but a few topics covered. So if you need help or just want to have a general chat about using your computer then come to the Old Star Kilham on Friday afternoon at 1pm for a friendly informal gathering with like minded people and expert tuition. Everyone welcome - £1 entry.

Don't forget the Community Pop Up Cafe in the Village Hall back room between 2pm and 3.30pm on the third Wednesday of the month. Come and have a cup of tea, piece of cake and a chat - only £1.50. All welcome.

"From the school"

We have had a busy autumn so far here at school, with some lovely events taking place. The first half of term included a successful Macmillan Coffee Afternoon and New Starters' Service in school organised by Class 5, an enjoyable Harvest Week and Service by Classes 2 & 3, and a family assembly full of achievements and awards, and numerous sporting successes and events.

After a well-deserved half-term break, we came back to something which, in my opinion, highlights everything important that we try to teach our children - caring about others. So a special mention for Katie and Amber, whose cake and biscuit stall raised £230 for the MIND Charity. There are lots of parents and children who enjoyed buns, cakes and biscuits from their stall, helping them raise money for a very worthy cause. Well done Girls—what a wonderful thing to do.

At the time of writing, Christmas hasn't taken over yet - but I am sure it soon will! Dates for school events below.

Thursday 14 th December	5.30pm – Class 1, 2 & 3 Christmas Performance
Thursday 21 st December	6.00pm Nativity Carol Service, All Saints Church, Kilham

We have had some sporting success too so far this term: The Year 3/4 football team took part in a tournament in Drifffield on 20th October. They had four close matches against Nafferton, 2 Drifffield Junior School Teams, and Hutton Cranswick. We eventually came 3rd in the tournament, unfortunately losing our semi-final to a 'golden goal' in extra time, but then winning the 3rd place play off! The children had wonderful attitudes throughout the evening. Thank you also to Mr Finney for his time and help organising the team!

On a bitterly cold evening, (Wednesday 8th November) the Drifffield Sports Partnership held their second Hockey Tournament of the school year. Thirteen teams took part, split into 3 groups. The evening saw some fantastic hockey skills from everyone who took part. We sent two teams who were both successful; our 'A' team emerging victorious in Group 1, meaning the trophy returns to Kilham School! Well done to all the children who took part and thank you to all the adults for their help and support

Dear all,

The countdown to Christmas is well underway and plenty happening in the village and at church. We all know that Christmas is a time of great joy, giving and receiving; but it is also a time where we remember those less fortunate than ourselves.

I'd like to say a huge thanks to those who have been doing just that these past weeks. At the beginning of November we received about 30 shoeboxes as part of our 'Love in a box' shoebox appeal. These were blessed during a service (with some lovely singing from our village children) and sent on their way to various refugee camps via the Jacobs Well charity in Beverley.

Also in November we reached 1000 items of food, clothing and linen that have been so kindly donated by Kilham folk. We keep a basket at the back of church for people to put stuff in that we re-distribute to the homeless and hungry via the Rainbow Centre in Scarborough and Kingfisher Café in Bridlington.

We have another project on the go throughout December (Sox-ember!). The idea is to put a pair of warm socks, scarf, mittens/gloves, perhaps even a bag of sweets or chocolate in a Christmas bag. Any that are brought to the church will reach homeless people in our area in time for Christmas. If you want to help/give then drop your gifts either at the church (Sunday morning around service times, Wednesday lunchtime or even leave them anytime in the box in the church porch which will be emptied every day) or you can leave stuff with Trish in the school office (before December 15th). Once again thank you, in anticipation of your continued generosity.

As usual on the events and services front we have a great line up for Advent and Christmas. I do hope there will be something for everyone of us, where we will have fun, celebrate, find meaning and make sure we remember the greatest gift of all— Christmas starts with Christ.

Have a very merry and blessed Christmas,

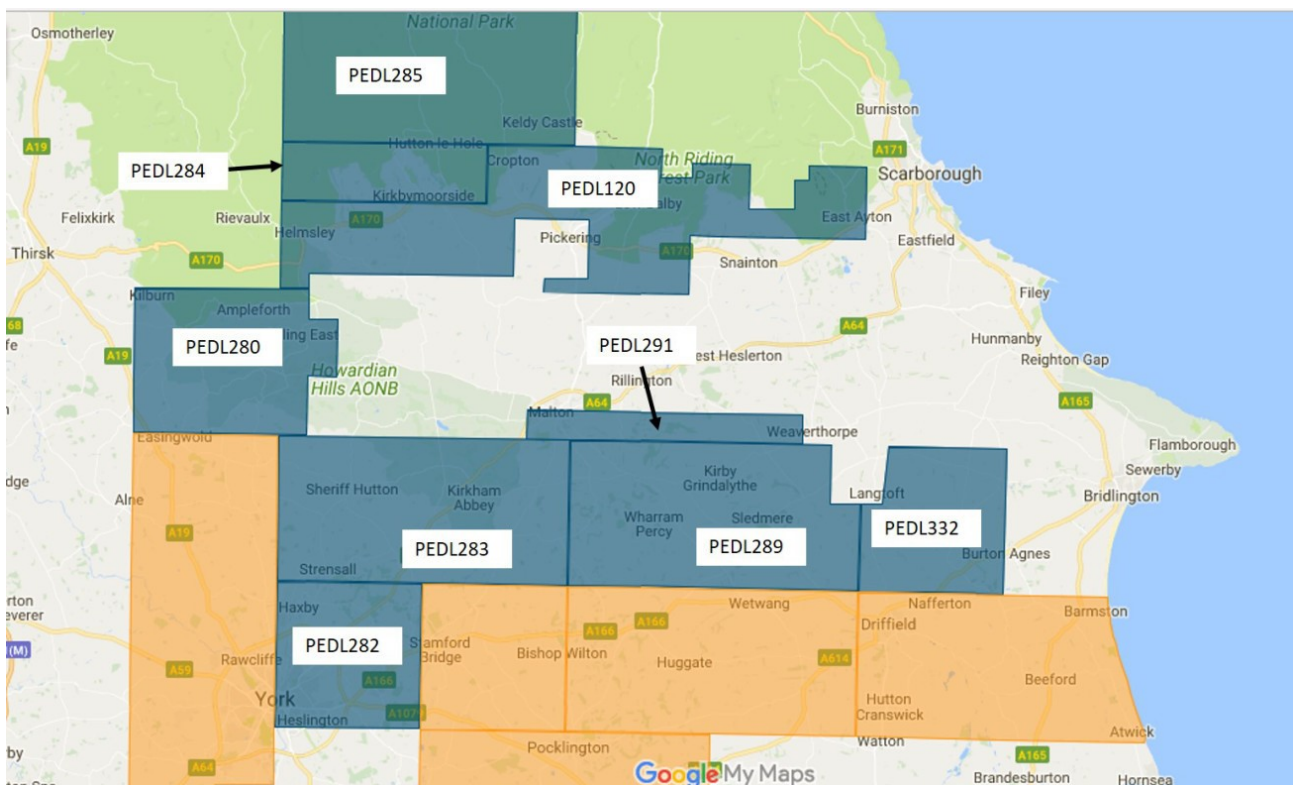

Glyn

A Freedom of Information Request has revealed 'Exploration Plans' for North and East Yorkshire. These plans include Kilham (PEDL 332)

<https://investigatingbalcombeandcuadrilla.files.wordpress.com/2017/11/emails-between-n-yorks-cc-and-ineos.pdf>

North Yorkshire County Council has released correspondence between themselves and INEOS Shale. These emails highlight five of INEOS' Petroleum Exploration and Development Licences (PEDLS) 282, 283, 289, 291 and 332. They cover such areas as Malton, part of York, Sheriff Hutton, Strensall, Kirkham Abbey, Settrington, Kirby Grindale, Thixendale, Sledmere and **Kilham**.

The exploration plans include:

1. Review existing 2D and 3D seismic survey data.
2. Carry out its own seismic surveys.
3. Submit planning applications for vertical coring wells

INEOS has already begun analysing existing seismic data and identifying potential sites for core wells.

Timescale: According to the emails, the company had hoped to begin seismic surveys later in 2017 and expects to have plans submitted, to drill vertical core wells, within the next two years.

Exploratory fracking is taking place at Kirby Misperton in North Yorkshire.

Free Broadband in the Village Hall

Cllr Horner was asked to look into the possibility of having broadband installed in the village hall. He looked at the benefits having broadband would bring to the village hall. Once he had completed his research Cllr Horner was asked to prepare and present his findings in the form of a PowerPoint presentation to the Kilham Village Hall Association committee and has liaised with them over the past 3 months to try to get approval for the installation of broadband in the village hall for the use of the village. He has contacted several providers and finally agreed to go with Plusnet. His findings were presented to the KVHA committee at their last meeting and it was agreed for the installation to go ahead. Cllr Horner has also donated a laptop to the village hall for use with the broadband.

The contract is a business contract for unlimited fibre broadband for 2 years and is totally funded by a grant from the Kilham Parish Council.

A new phone line will need to be installed and this is scheduled for Wednesday 22 November. The broadband will be free to use by anyone using the village hall.
