FEB & MARCH 2024

News From Kilham Parish Council

As you will know the start of the year has come with the challenge of more flooding in the village. The Parish Council is in the process of arranging a public meeting with Yorkshire Water, EYRC and the Environment Agency to discuss what can be done in the future. Once we have more information we will announce it on the notice board and website. In the meantime we are arranging for independent water testing to check for contamination.

The Parish Council can not fight this alone, we need all residents affected by the flooding to inform both ERYC and Yorkshire Water, the more voices they hear the better. We want to collate all the complaints/incidents connected to the flooding in order to produce a report to present to the authorities. This will help to make a solid case for action to be taken.

To enable us to do this please send your experiences, including details of the problems and how long they have existed plus any action you have taken including contact with third parties, by email to kilhamparishcouncil@gmail.com including permission for the Parish Council to use your personnel information in the report.

We would like to take this opportunity to ask for your help on another matter - If a bus service was provided through the village would you use it and how often?

The councillors wish to explore the possibility of working with ERYC/bus company to see whether a service to Driffield, to start with, could be provided. Again using the same email address as above, please let us know as we will need to demonstrate there is a need.

Please take this opportunity of having your voice heard - we can't make a difference unless we all get involved.

Fundraising News

Farmer Christmas Tractor Run – the event total for 2023 was £12,632.12 a staggering amount, of which the KPFA received £1,451.

We are so proud as event organisers of the support we receive, in putting on this event, from Kilham residents and business.

Thank you to everyone who volunteered or donated.

East Riding Crematorium – following a successful application by Andy Oxley and John Kerry, we have received a £5000 donation from the metal recycling scheme. This will help us maintain existing facilities and start building funds for phase 2 of replacing our children's play equipment.

Charity Update

During the last quarter, two of our trustees, David Stork and David Hamilton have resigned from the charity.

David Stork was one of the charities founder members and held the treasurer position for 10 years. One of the team who literally took a ploughed field and developed the facility to where it is today. The longest standing trustee of the charity to date.

David Hamilton joined us in 2020 as a highly experienced Treasurer for other local and regional charities. He successfully managed Liz and Nicola, as Chair and Secretary of the time, through the events, ideas and plans until Dec 2023 (no mean feat in itself) and was the backbone of the charity whilst developing the wildflower area and coppice planting projects.

The KPFA would like to thank them both for their dedication and contribution throughout.

New Trustees Required

We need new people to join our management team.

Would you like to give something back to your local community?

Would you like to meet new people and join an enthusiastic team?

Do you crave a new challenge and have some time, that you could spare?

We are now a team of 6 who all do what we can, when we can juggling jobs, families, businesses and it's now a bit of a stretch.....

Delivering a programme of community events for all ages

Overseeing the maintenance of a 10-acre site

Developing ideas and project management of new installations

Social media updates and communication

We need resourceful people with a have a go, can do approach, to support this.

We meet 3rd Tuesday in the month so get in touch for details, come along and find out more about what we are about

For more information, have a chat with one of us, message us on Facebook or contact Andy Oxley kpfa2020@outlook.com

11. Date of the next AGM: 18th February 2025

At our December Annual Meeting we were entertained by the Middle 8 Singers. It was a fantastic evening and many members said it was one of the best Christmas meetings we have had.

Christine was re-elected as President for 2024. Shirley and Claire have stepped down as Secretary and Treasurer. They are remaining on the committee and we would like to thank them both for all their hard work.

In January we had a Beetle Drive. Once again it was enjoyed by all – even those who were not exactly sure of what the event entailed.

We meet on the second Tuesday of the month in the Village Hall at 7.15 and are always happy to welcome visitors.

Angela will be at The Star for lunch on the first Thursday of the month at noon if any ladies want to come along. Even if you are not a WI member why not come and join us.

The February meeting is the Federation Quiz and in March we have Gill Cowlam talking about being a Female Engineer in a man's world.

If you have any questions you can email the secretary, Shirley at kilhamwi@eastyorkshirewi.org.uk

Dear friends

Easter comes early this year and Lent begins on February 14th. What will you be giving up for lent? Personally, I shall be giving up kidney beans, a tough decision but one I shall try to keep!! Of course, there is more to lent than abstaining from something, so why not join us on Thursday mornings at 10.30am, where we will be thinking about Lent. That will be taking us through to Easter and as well as a time for discussion, reflection and prayer, there will also be soup and a roll to enjoy together afterwards. It is open to anyone who wishes to join in and reflect on the true meaning of lent. Every blessing Rev Steve

At Kilham All Saint's we have started an all-age service which takes place on the first Sunday of each month at 11am. It is a more informal setting with interactive talks, a children's area and our normal biscuits, cakes, and drinks afterwards. We have children and adults taking part in the service which adds to the variety of voices, and we are at home with little ones running around and enjoying themselves. So far it has been well attended but please come along and be part of our village community, we would love to welcome you at this service. Hopefully we'll see you soon

The 'Talking About Faith' evenings will continue into the new year. Every first Wednesday evening of the month at 7pm. A friendly and warm welcome awaits those who might be interested in attending these informal evenings. For further information contact revalanleach@gmail.com

Talking About Faith evening has had an incredibly successful first year as we met at The Old Star every first Wednesday evening of the month. These evenings have been well attended as we discussed a mix of topics surrounding faith as we enjoyed each other's company discussing issues in life that matter to all of us. Such topics have included Living with Loss and Uncertainty, Forgiveness, Mental Health and Finding Peace and Joy in our Lives. The evenings have generated much discussion, laughter and some moving accounts of people's struggles with life events that had both challenged and supported them in their belief in God. Amongst some emotive topics there is always fun and enjoyment alongside food and drinks kindly provided by All Saint's Church and served by the fantastic hospitality of The Old Star staff.

Willy Howe Model Flying Club and Kilham School

On 20th January 2024, Willy Howe Model Flying Club received the Roger Bedford Memorial Trophy and commemorative Certificate, awarded by the British Model Flying Club Awards Committee for the Flying Club's outstanding contribution to education in the context of Aeromodelling during 2023.

The Trophy was presented to the Flying Club's Chairman, Ian Howard by Andy Symons, BMFA Club Support Officer, at Kilham Primary School. The Club will shortly be working together with the School's Head Teacher, Robert Palmer, on a series of After-School STEM Club flight related activities that follow on from a recent presentation made by the Club Chairman to the Year 6 children as part of their WW2 topic.

Also in the photograph, Pupils are shown holding a camera drone and remote controller that were purchased with the assistance of a Grant awarded to the Flying Club by the Dogger Bank Wind Farm. The drone will be used during relevant flight activities with the Pupils during the STEM Club programme.

The Wind Farm Grant Administrators are keen to conduct a case study regarding the Flying Club's projects, especially the continuing involvement with the STEM Club and their study will feature on the Dogger Bank Website, Social Media channels and an internal post on where the funding goes to inform the wider staff team within the Wind Farm."

Information from Mr Palmer

Kilham C of E Primary School would like to congratulate the club on this award and are excited to continue working with the team from the Willy Howe Model Flying Club. The club have worked with the school over a number of years coming into school to deliver exciting workshops about aircraft from World War 1 and World War 2. After Easter we will be working together, delivering a STEM based after school club to children at Kilham School.

This will involve activities to build, design and launch a 3D rocket. Children will be using Tinkercad (a free online 3D design tool) and the schools 3D printer to complete a finished rocket. Children will also get chance to fly the new drone that the club have purchased

with Dogger Bank funding. We are also hoping that we will encourage younger children to have an interest in model aircraft and possibly become members of the club.

Kilham School are passionate about engaging our children in STEM based learning, our work with the club on an after school club will support this area of our school curriculum.
